

## Marlborough Business Association Meeting Dates 2008

The Marlborough Business Association (MBA) holds monthly Membership Meetings typically on the third Thursday of the month. Below is the list of meetings as they stand to date. All meetings require a host and/or co-host.\* This is a great opportunity for your business to promote itself to other business members and to be promoted within the Marlborough Business Community through press releases prior to and immediately following the event. The meeting host will also be listed on the MBA website on the home page and in the calendar section. Hosts are given the opportunity to display business materials and are recognized throughout the meeting. You are also provided a 10-15 minute time slot to discuss your business. It is the responsibility of the hosts to provide light refreshments for the event. If you have a place of business that will hold approximately 30-35 people, you may hold the meeting there, otherwise, you may choose from one of the locations offered to the MBA by the community. To sign up as a host/co-host or to ask additional questions, please contact Paula Moran at 860-295-1466. We look forward to hearing from you.
