Riding into the Future with the MBA

MBA Members!

It is time once again for our Annual Business Meeting and Celebration Dinner. We will conduct a short business meeting where we will elect the new slate of officers. The evening will allow for time to celebrate the MBA's success as well as highlight YOUR success this past year. Kevin and Nancy Haggerty are graciously hosting the event again this year, and have planned a delicious meal for us! We are also sponsoring a food drive for the Marlborough Food Bank, who is in urgent need of Thanksgiving items, so please bring your donation of canned food items or household goods to help our community. We look forward to your participation as we enjoy an evening of networking, camaraderie, good food, and prizes!
